workshop outline

This high impact interactive presentation gives your pupils a powerful insight into how to make informed decisions. With year 9 pupils now having so many new options this 1 hour session is a vital tool to set them on the right path.

- **Confidence:** have you got the confidence to make the right choice that suits you?
- **History:** Learn from what you and others have done before and move forward.
- **Optimism:** How to think positively about your own abilities and what the future could hold.
- **Information:** A look at how important it is to get the right information about what your options are about.
- **Consequences:** There is a consequence to every decision made so choose wisely!
- **Emotions:** Don't make a decision on emotions alone use your head and examine all the possibilities.
- **Stick with it!:** Don't give up stick with the decisions you've made and live the dream.
